## HCC Header Banner Competition

At the last committee meeting the subject of the image quality of our club's banner header was raised. It has suffered from being scanned/ photocopied many times over and it was agreed a new image was in order. To this end we are inviting members to submit suitable photographs of Hadleigh Castle which can be judged and used to create a new banner along similar lines to the existing one which heads this page. Send your submissions to Diana [nanpom66@icloud.com](mailto:nanpom66@icloud.com)

### Guidance

The panoramic image size is approximately 181mm x50

Consider the framing of the castle to allow for lettering and the SA badge.

The resolution to be converted to 300 pixels/inch jpg.

### Scavenger Hunt Priory Park (Images on HCC Facebook page tap Album)

An enjoyable, sunny morning was spent in Priory Park, just before the rule of six, enabling participation by eight members. We split into two smaller groups led by Laura and myself. The list of challenges to find and capture were very open ended to encourage diversity. These included "groups of three, leading lines, textures, stone and entrances" to name a few. The morning ended in a socially distanced circle, sitting on our own chairs, drinking coffee and generally enjoying the company. Thanks to Laura for providing the idea and helping to organise the event. Hopefully we can organise something similar in the future.

Subscriptions due for 20120-21 will be deferred until such time as we can meet again but we hope you will continue to support our club and the programme.

Kindest regards and stay safe and well

Diana
